## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-5 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the allowability recites at least in part: a case including a front wall and a bottom wall, the bottom wall connecting with a bottom edge of the front wall, an aperture being formed on the front wall, a first guiding means being transversely formed on the bottom wall; a front panel mounted on the front wall of the case, the front panel being provided with a fixing member uprightly extended from a backside thereof, the fixing member being on a location corresponding to insert into the aperture of the front wall, a fixing hole being transversely formed at a free end of the fixing member; and a pull bar including a second guiding means and a pressing plate, a bulged fixing dot being formed on the pressing plate, the second guiding means being on a location corresponding to the first guiding means, the second guiding means being slid with the first guiding means to achieve the pull bar transversely slides on the bottom wall, and to achieve a slidable connection of the bulged fixing dot with the fixing hole.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
